

**Department of *Optometry***  
**City, University of London**

**PARTICIPANTS NEEDED FOR  
RESEARCH IN AMBLYOPIA**

We are looking for GOC registered Optometrists who spend over 50% of their working week in community practice to take part in a study about treatment of amblyopia in children.

As a participant in this study, you would be asked to: *complete an online questionnaire.*

Your participation would involve *answering one questionnaire* which is approximately 10 minutes.

In appreciation for your time, you will have the chance to include your email address to take part in a prize draw to win a £50 John Lewis voucher once the study has been completed.

To volunteer for this study, the questionnaire is posted on the LOCSU research page.

For more information about this study, please contact via Email:

Farah Mohamed [Farah.mohamed@city.ac.uk](mailto:Farah.mohamed@city.ac.uk)

Supervisor Catherine Suttle [Catherine.suttle1@city.ac.uk](mailto:Catherine.suttle1@city.ac.uk)

This study has been reviewed by, and received ethics clearance through the Optometry proportionate review Ethics committee City, University of London.

*If you would like to complain about any aspect of the study, please contact Annah Whyton, Secretary to the Senate Research Ethics Committee at [senaterec@city.ac.uk](mailto:senaterec@city.ac.uk)  
City, University of London is the data controller for the personal data collected for this research project. If you have any data protection concerns about this research project, please contact City's Information Compliance Team at [dataprotection@city.ac.uk](mailto:dataprotection@city.ac.uk)*
