
MODEL CONSTITUTION
for
LOCAL OPTICAL COMMITTEES

DEVELOPED BY THE LOC SUPPORT UNIT (LOCSU)

PUBLISHED: April 2025

LIMITATIONS OF LIABILITY

This template has been prepared by Hempsons LLP on behalf of LOCSU for LOCs to adopt locally. The core constitution has highlighted sections which can be completed or amended as required. However, the Schedules are not intended to be complete and require consideration and adaption to cover the needs of individual LOCs.

Sections of the Core Constitution reflect requirements in relevant legislation which are applicable to all LOCs, subject to minor amendments where indicated. The Schedules of the Constitution are templates that describe the fulfilment of the principles and precedents set out in the Core Constitution. The Schedules require review and adaptation by LOCs to ensure the Schedules reflect the specific LOC requirements and preferred ways of working. LOCSU will support LOCs in preparing their Schedules where requested. If a LOC varies the core constitution and schedules from the model template prepared with LOCSU, it is recommended that legal advice is sought to ensure continued regulatory compliance.

LOCSU does not accept any liability on any basis whatsoever, including for the avoidance of doubt for breach of contract or negligence, for any liability, direct or indirect loss, damage, cost or expenses suffered as a result of the use of and / or reliance on this template Constitution.

NOTE

Wording in red with square brackets (for example: “adopted on **[date]**” “for a period of **[six (6)]** months) indicates where details need to be added OR where they can be changed to suit the requirements of each LOC.
